Know Our Company

Having an experience of over 7 decades in the domain, our company, **N. Ranga Rao & Sons Private Limited**, works hard every day to keep on offering customers with splendid quality **Reed Sticks Diffuser, vaporizers, sprays, candles**, etc. The diverse gamut that we come up with is appreciated nationwide for unrivalled quality. To maintain the delivery of such high quality goods, we make use of premium raw materials that are procured from the leading vendors of the country. Our goal is to keep offering such an impressive collection to our customers even in the future years.

Currently, we are dealing in a reliable variety of **Reed Diffusers, Fragrance Vaporizers, Aromatic Candles, Car Fragrance Sprays**, etc. These are made available to clients at reasonable prices which are set by our team, keeping in mind market demands and cost of our offerings. Being a talented manufacturer, we also keep a keen check on our ranges timely delivery. Taking help from a skilled logistic team, we deliver each of our offerings to the doorsteps of clients with high speed. This has earned us huge acclamation in the fragrance and many other industries in which we deal in.

Our Business Journey

Since **1948**, we have been venturing in the market with a mission to provide high gratification to our clients. Our enterprise focuses on bringing as much benefits to customers as possible. With this goal in our mind, we have succeeded in the past. Along with the market success we have attained, we have also managed to earn the loyalty and trust of our clients. This is continuously helping us in expand our business reach. Our company aspires to become the number one company of the domain in coming years.
